

Praise For The Novel
MAKE IT, TAKE IT

“Rus Bradburd has given us an original novel about college basketball that is **compelling, unsettling, yet downright funny** and sad at the same time. “Make It, Take It” is even better than his incisive non-fiction—and, frankly, that’s just not fair.

—Dave Zirin, Nation Magazine,
and author of *Game Over: How Politics
are Turning the Sportsworld Upside Down*

“**One of our favorite writers.**
